

Dear Customer

THANK YOU for your purchase at **Lednordic**

We hope you enjoy your purchase with us and enjoy the little glimpses of life.

**Manual for : Tealight**

1. carefully remove the cover at the bottom of the light
2. insert batteries and make sure the battery is clicked in and connected to the metal pin on the side.
3. Carefully put the cover back on
4. Switch the light at the bottom to ON
5. Use your optional remote control to control the lights
6. Note: RIKA lights and black lights cannot be controlled with a remote control.

Should you have any questions about the product, you are more than welcome to contact us.

With best regards

LED  NORDIC

Enjoy the little glimpses
